

Ordering for Term 2 Fun Lunch and/or Recess Snacks is Now Open

- To log in to your existing Munchalunch account, [click here](#).
- If you do not have a Munchalunch account but would like to order PAC Fun Lunch and/or Recess Snacks, [click here](#) to open a free account.

Ordering for this term will close at midnight on ***Friday December 9.***

Fun Lunch Info

Fun Lunch and Recess Snack ordering and payment is administered through Munchalunch.com. See above for links.

The Fun Lunch program is a *PAC-sponsored, volunteer-run program* that provides lunch for those students whose families choose to participate. Menus rotate on a regular basis between pizza by **Fresh Slice**; sushi by **Sushi Katsu**; pasta, wraps, salads, recess snacks, and comfort food by **Well Fed**; smoothies from **Booster Juice**; sandwiches by **Subway**; and frozen yogurt by **Menchie's**. All menus include vegetarian options.

Order Windows

Fun Lunch orders are accepted and processed by terms, in order to keep the volunteer workload manageable. Terms are from October to December (Term 1);

January to March (Term 2); and April to June (Term 3). Each term is preceded by a two-week order window, during which ALL Fun Lunches for that term must be ordered and paid for. Because the Fun Lunch program is run exclusively by parent volunteers, **late orders cannot be accepted. We appreciate your understanding in this regard!**

If you are unable to order online, paper order forms can be found in the hanging rack outside the school office. Forms and payment must be returned to the PAC mail box by the due date.

Payment

- Fun Lunch payments can be made by credit card or PayPal, through the MunchaLunch page.
- If you wish to pay by cash or cheque (made out to Ridgeway PAC), your payment must be received in the PAC mail box (located beside the School Office, on the main floor) BEFORE the order window closes for that term.
- Unpaid lunch orders cannot be processed.

Volunteers

Volunteers are always needed on Fun Lunch days, to help receive and distribute lunches. A volunteer shift is from 11:45 a.m. to about 1:00 p.m., and younger siblings are welcome to tag along. You can volunteer once, or on a regular basis. You can sign up to volunteer either through Munchalunch (at the end of your order), or at any time during the year at SignUp.com. (You will need to enter your email address in order to register on SignUp.com, and you will receive an automatic email reminder. Your email address will not be used for any other purpose.)

Good to Know:

- PAC Fun Lunches are separate from the Ridgeway School Food Access Program.
- If your child is **sick or absent from school**, you can call the school or email us at funlunch@ridgewaypac.org BEFORE lunch and arrange to pick up their lunch from the PAC fridge by the end of the school day.
- If your child is on a **class field trip**, their lunch will be stored in the PAC fridge until the end of the school day.
- All lunches will be disposed of as per Food Safe guidelines if not claimed by the end of the school day. *Sorry, there are no credits for missed lunches.*
- Because the Fun Lunch program is run exclusively by parent volunteers, **late orders cannot be accepted**. We appreciate your understanding in this regard!
